Subject: Revaluation for December 2019 examinations.

This is to bring to the notice of all the colleges that most of the results of end semester examination of December 2019 have been declared and the remaining results (if any) shall be declared in the coming days. The revaluation forms were open as per rules and some of the students have already applied for revaluation. Some students could not apply for revaluation because of COVID-2019 crisis. Keeping the interests of the students in mind, the revaluation forms are again open from 06-05-20 to 20-05-20. The students who did not apply earlier can apply for revaluation online through their colleges. The Challans for revaluation fees shall be generated on 21.05.20 and the college is required to pay the fees by 27.05.2020.

Revaluation will be done only for those colleges who will pay the requisite revaluation fees.
